Overall Health Status Rank

Tied for 23

All of Adair County is designated as a medically underserved area.

Six new indicators profile the status of child health in the county. See Methodology and Sources for a detailed explanation of each indicator. Recent Data for each new indicator presents a rate and a county ranking for the most recent time period available.

The Medically Underserved Area designation reports whether all or part of the county suffers from a severe lack of health resources.

The County is ranked on the combined Child Health Status indicators to allow you to compare this county with other counties. 1 is the best ranking; 77 is the worst ranking
