

# Logan

Settled by the land run on April 22, 1889, Logan County was designated County No. 1 when Oklahoma Territory was organized in 1890. It was later named for Senator John A. Logan of Illinois, popular Civil War general.

Guthrie was the capital of the territory and the state until the removal to Oklahoma City in June 1910. Guthrie's central district is on the National Register of Historic Places and is the only continental United States territorial capital that is substantially the same as it was during the 1890s.

Guthrie has easy access from I-35, S.H. 33, and S.H. 77, and is served by the Santa Fe Railroad. Light manufacturing includes products such as hydraulic lifts, display islands, and wooden shipping pallets. Community facilities include two municipal lakes for water supply and recreation, a swimming pool, library, hospital, four city parks, three sports areas, two golf courses, and an airport for small planes.

Places of interest include the Oklahoma Territorial Museum, the Oklahoma State Capital Publishing Museum, the Scottish Rite Masonic Temple, Pioneer Drugstore Museum, the historic downtown district, and the Lazy E Arena complex, all in Guthrie.
