CENSUS WEB ADDRESSES, 2011

Websites from the Census Bureau and other organizations that feature Census data

Census homepage
www.census.gov

American FactFinder – the main search engine for Census data
http://factfinder.census.gov/
"Compass" handbooks for data users -
http://www.census.gov/acs/www/guidance_for_data_users/handbooks/

American Community Survey homepage - use to find information about the American Community Survey, but access its data through American FactFinder
http://www.census.gov/acs/www/

Census of Agriculture – conducted by the USDA; latest data is 2007
http://www.agcensus.usda.gov/Publications/2007/index.asp

Oklahoma Census Data Center, Oklahoma Dept. of Commerce
http://www.okcommerce.gov/Data-And-Research/Demographic-And-Population-Data
See the link for "ACS Calculator" for online tool about Margins of Error for ACS.

Oklahoma State Data Center, Oklahoma Dept. of Libraries
Population of Oklahoma and Indian Territory, 1907 – "The Statehood Census"
http://www.crossroads.odl.state.ok.us/cgi-bin/showfile.exe?CISOROOT=/territorial-govs&CISOPTR=272
Census guides http://www.odl.state.ok.us/usinfo/census-training.htm
Three guides here: *Your Guide to Using American Community Survey Data*, *How to Choose Census Data*, and *Mixing Census Data Types Together*

Missouri State Data Center
Circular Area Profiles – find data within 1 to 5 circular areas that you define
        http://mcdc2.missouri.edu/websas/caps.html
Population Trend Reports
http://mcdc.missouri.edu/cgi-bin/broker?_PROGRAM=websas.poptrends_menu.sas&_SERVICE=appdev&st=

CensusScope – many graphs and maps, and features Census data that CensusScope claims demonstrates segregation within our nation's largest cities and all MSAs
www.CensusScope.org

School District Demographics – applies Census data to school districts with basic education data from the National Center for Education Statistics
http://nces.ed.gov/surveys/sdds/

"Kids Count" Census Data Online – Census data for those aged under 18
www.kidscount.org/census

ESRI's Census 2000 Tiger/Line Data – access saved Census shapefiles here for work with GIS systems
www.esri.com/data/download/census2000_tigerline/index.html

States in Profile – Indiana State Data Center – use for quick answers to easy questions; use drilldown to choose "Oklahoma"
www.stats.indiana.edu/sip/

Counties in Profile – Indiana State Data Center – use for quick answers to easy questions; use drilldown to choose "Oklahoma"
www.stats.indiana.edu/uspr/a/us_profile_frame.html
